

## WOW! SIZZLE DEGREASER

WOW! Sizzle Degreaser is a powerful caustic cleaner formulated to remove carbon and grease from ducts, fans, floors, hoods, vent stacks and walls found in commercial kitchens. Attacks burned on deposits, liquid smoke, pitch build-up, fats and oils. WOW! Sizzle Degreaser can be used in oil/food processing facilities, smokehouses, snack food operations and any area where greasy deposits must be removed. Foams for longer cling (contact) time and allows visualization of the area covered. Acceptable for use in federally inspected meat and poultry processing plants.

**IMPORTANT:** DO NOT use on aluminum or galvanized surfaces or other alkali sensitive surfaces as damage may occur. Avoid contact with painted surfaces.

### SUGGESTED DILUTIONS:

The following dilution ratios are intended to provide guidance to the user and are not requirements for use. Appropriate dilution will vary depending upon a facility's specific parameters.

APPLICATIONS	DILUTIONS (OZ/GALLON)		
	Light	Medium	Heavy
Foaming Cleaning	2 to 4	6 to 8	10+
Soak Tanks & Mechanical Cleaning	1 to 2	2 to 4	6+

### DIRECTIONS:

**FOAM CLEANING:** Prepare the solution. Apply to surfaces to be cleaned through a suitable foaming unit. Let foam stand for 5 to 20 minutes, scrub if needed, and rinse thoroughly with high pressure and water. Do not allow foam to dry onto surface; rewet as necessary to keep foam drying.

**SOAK TANKS & MECHANICAL CLEANING:** Prepare a solution depending on the severity and type of soils. Rinse surfaces thoroughly after cleaning.
